ADOPT A VINE | ROSEMONT BLOCK H

As many of you know, in the spring of 2016 we will be planting an additional 3 ½ acres of grapes in the front of the Winery, Block H. The Merlot, Petit Verdot, Syrah, and Tannat that we are planting are vital to ensuring that we remain 100% estate grown, and will help us keep up with the growing demand for premium Rosemont of Virginia red wines in the future.

We've developed a unique way for you to become a part of our growing vineyard by offering you a chance to "Adopt A Vine." Well, a row actually! The new vineyard will include 44 rows of grapes, and this is a great opportunity to get in on the ground level and see just what is involved with establishing a vineyard!

ADOPTION COST: \$300

To participate in this exciting and educational program, we are offering a one-time payment of \$300, taxes included. In addition to a handsome plaque engraved with your name that will be displayed on your adopted row of vines for the next 40 to 50 years! You will also receive the following unique experience and benefits:

2016 | Planting: Join us April 9 - 10 to plant some of the vines in your row.
